

All bulbs sold at www.juniorenergy.org are SpringLight bulbs.

- ✓ SpringLight bulbs are high quality---eliminating the flickering or long start up times that traditional CFL bulbs have been known for.
- ✓ In addition they are environmentally friendly; SpringLight will save you energy and money, are made with lead free glass and have an incredibly low mercury level when compared with other CFL bulbs on the market.
- ✓ The packaging is also recycled and printed with soy ink.

Spiral bulbs are sold in packs of 3.
Junior Energy offers 60watt and 100 watt equivalent spiral bulbs.

Junior Energy bulbs are offered at a significant discount to retail prices. In comparison to Home Depot prices, Junior Energy bulbs are at least 20% cheaper and are of unmatched quality.

PRICE COMPARISON		
CFL Bulb	Home Depot	Junior Energy
14w spiral	\$2.25	\$1.66
23w spiral	\$3.44	\$2.33
